

# EWPA®

EWPA is over 30 years old!

The company was founded in 1989 and initially it operated in rented office space. Currently, the headquarters has an area of over 10,000 m<sup>2</sup>, providing comfortable working conditions for employees and a high standard of customer service. This applies especially to a professional stationary workshop, supported by a mobile service. EWPA has been selling a wide range of machines for the construction, municipal, and agricultural industries from the most recognized manufacturers since the beginning of its activity. It delivers them not only to the Polish market, but also to other European Union members, Iraq, Russia, Ukraine, Belarus, Turkey, and even the South Pole. As part of its after-sales service, it sales spare parts, offers warranty and post-warranty repairs, as well as machine overhauls and rebuilds, and long-term rentals.

# CASE

## CONSTRUCTION

A global manufacturer offering a full range of construction equipment.

### BACKHOE LOADERS

weight from 8 to 8.8 t  
engine power from 112 to 120 hp

### COMPACT LOADERS

weight from 5.4 to 6.5 t  
engine power from 60 to 74 hp

### WHEEL LOADERS

weight from 11.9 to 28.8 t  
engine power from 144 to 352 hp

### GRADERS

weight from 12.8 to 16.6 t  
engine power from 138 to 193 hp

### **D-SERIES MINI EXCAVATORS**

weight from 1.3 to 6.2 t

engine power from 11.8 to 61 hp

digging depth from 1,860 to 4,200 mm

electric versions

### **E-SERIES CRAWLER EXCAVATORS**

weight from 13.9 t to 71 t

engine power from 80 hp to 519 hp

### **MIDI EXCAVATORS**

weight from 7.9 t to 8.6 t

engine power from 35 hp to 55 hp

### **MINI LOADERS (SSL & CTL)**

weight from 2.3 to 4.6 t

engine power from 48 to 91 hp

The Merlo Group has been a market leader in telehandlers and lifting equipment since 1964.

**Panoramic series**  
with a max. lift height of 12 to 18 m  
with a lifting capacity of up to 5 t

**Heavy Duty series**  
with a max. lift height of 8 to 10 m  
with a lifting capacity of 5 to 12 t

**Roto series (rotating)**  
with a max. lift height of 16 to 35 m  
with a lifting capacity of 5 to 7 t

electric versions

Evoquip offers a comprehensive line of crushing and screening equipment.

**Jaw / impact crushers  
with output potential from 30 to 290 tph**

**Screeners  
with output potential from 80 to 600 tph**

**Conveyors  
max. discharge height from 8 to 14.3 m  
conveyor length from 11.3 to 22.9 m**

**TEREX®**

**ECOTEC**

The manufacturer offers a wide range of products for shredding and segregation.

### Shredders

slow speed | medium speed | high speed

2-fraction | 3-fraction drum screens

### Vibrating screens

**Material handlers**  
weight from 14 to 36 t

**Conveyors**  
length from 20 to 23.5 m

wersje elektryczne

A TEREX BRAND

A leading manufacturer of equipment for the wood and biomass industries.

**Wood chipper 5400 BT**  
weight from 31,700 to 34,400 kg

**Wood chipper 6400 CT**  
weight from 37,600 to 40,800 kg

**Chipmax 484 wood chipper**  
weight from 25,100 to 29,400 kg

Manufacturer of all terrain and crawler cranes.

## AC 2.040 – 4.110-1

Lifting capacity class:  
from 40 to 120 t

Max. radius without extensions:  
from 35.2 to 60 m

Max. radius with extension:  
from 47 to 96 m

## CC i LC

Lifting capacity class:  
from 400 to 3,200 t

## AC 5.120-1 – 5.250-1

Lifting capacity class:  
from 120 to 250 t

Max. radius without extensions:  
from 60 to 70 m

Max. radius with extension:  
from 96 to 111 m

## AC 6.300-1 – 9.700-1

Lifting capacity class:  
from 300 to 700 t

Max. radius without extensions:  
from 60 to 80 m

Max. radius with extension:  
from 123 to 147 m

# TEREX<sup>®</sup>

CRANES

A manufacturer of rough terrain cranes.

## TRT

Lifting capacity class:  
from 35 to 90 t

Max. radius without extensions:  
from 30.1 to 47.0 m

Max. radius with extension:  
from 38.1 to 64.0 m

# LONG-TERM RENTAL OF MACHINERY

## Backhoe loaders

Case 580

Case 695

## Telehandlers

Merlo 50.8

Merlo 40.17 with man basket

Merlo 45.21 Roto with man basket

## Articulated loaders

Case 721 G, high tip bucket 3,0 m<sup>3</sup>

Case 821 G, 3,4 m<sup>3</sup> / 5 m bucket

Case 921 G, 4,0 m<sup>3</sup> / 7 m bucket

## Handling equipment

Terex - Fuchs, 16 t

Terex - Fuchs, 21 t

## Slow and high speed shredders

Terex Ecotec – on request

## Crushers and screeners

Terex Evoquip – on request

## Rough terrain cranes

Terex 35-40 t

Terex 60 t
